

Daryl Wood Gerber's bio for Suspense

Agatha Award-winning and nationally bestselling author DARYL WOOD GERBER continues to venture into the world of suspense with her riveting novel, DAY OF SECRETS, which has garnered terrific reviews. Daryl also writes the bestselling French Bistro Mysteries and Cookbook Nook Mysteries. As AVERY AAMES, Daryl penned the bestselling Cheese Shop Mysteries. Fun tidbit: as an actress, Daryl appeared in “Murder, She Wrote,” as well as “Hart to Hart” and “Matlock.” In addition, she has jumped out of a perfectly good airplane and hitchhiked around Ireland by herself. She absolutely adores Lake Tahoe, where her suspense GIRL ON THE RUN is set, and she has a frisky Goldendoodle named Sparky.
